AREA / PLATE	RATE / SQ.INCH (QUOTED)	COST / SQ.INCH	BENCHMARK RATE / SQ.INCH	MARGIN	VARIANCE VS BENCHMARK
25.58 sq.in	₹39.09	₹34.20	₹38.00	₹4.89 (12.5%)	+2.9%

Flag reason: Margin 12.5% is below the 15% floor. Rate is in line with benchmark, but cost base is high for this order — check material sourcing before approving.
